President's Message

With 17 intercollegiate sports here at Salisbury State College, our emphasis on participatory athletics is well documented. Equally important, we are fortunate to have not only a highly competent group of educators to motivate and teach our student-athletes but truly outstanding facilities where they are able to train and compete. As such, that segment of the college community possessing outstanding athletic skills and a personal dedication to success on the playing field is able to achieve significant individual and team oriented goals.

While the recognition these talented young men and women receive is justly deserved, the opportunity for all to participate is an overriding interest at Salisbury State, whether it be in intercollegiate athletics or intramural activities.

Additionally, the opportunity for the student body to go out to root for some of the most talented of our student-athletes is part of the thread that weaves throughout the unique fabric of a college community.

1984 SSC PROSPECTUS

Having taken the first step in a positive direction last year, Salisbury State College's soccer team hopes to continue its upward trip in 1984. The first opportunity will be when it travels to Elizabethtown, PA and the Elizabethtown College Blue Jay Tournament.

The Sea Gulls finished with a record of 8-7-3 in 1983, winning their last six games in a row, five coming on shutouts. They were victors in the early season Blue Marlin tournament at Virginia Wesleyan and the season-closing Maryland Division II & III Championships.

Gerry DiBartolo (Frostburg State '76) enters his third year at the SSC helm with a 12-19-3 record. He returns 11 lettermen and seven starters from last year's Maryland State Division II and III Championship team, DiBartolo receiving the Coach of the Year award for his team's efforts.

The Sea Gulls' top scorers return from last year as well. **FWD-Henry Farrell** (Glen Burnie, Glen Burnie, MD), a senior, scored two goals with two assists and was named second team All-State last year . Junior **FWD-Scott Wulff** (James M. Bennett, Salisbury, MD) kicked in two goals and an assist. Another forward with scoring potential is **Sean Hull** (Frederick Douglass, Upper Marlboro, MD), a sophomore who saw some time last year.

Another All-State selection by the Maryland State Division II & III Coaches Association is senior **MID-Jim Cocchiaro** (Parkdale, New Carrolton, MD). Joining him will be junior **Sean McCauley** (Elkton, Elkton, MD), **Jamie O'Connor** (High Point, College Park, MD), a junior letterman, and **Mike Pirkey** (Northern, Dunkirk, MD).

In the backfield, DiBartolo returns veterans ranging from sophomore to senior. **Eric Tewey** (Overlea, Baltimore, MD), a senior, scored a shoot-out goal in last year's double-overtime victory over Mt. St. Mary's. Junior **John Morrissey** (John Carroll, Churchville, MD) will take the sweeperback position. Others in the backfield will be sophomores **David League** (Bowie, Bowie, MD), who scored two goals last year, and **Paul Mouser** (Bowie, Bowie, MD).

The goalkeeper position went from stable to unstable early in the 1984 campaign with a knee injury to senior **Dan Coleman** (Dulaney, Lutherville, MD). Coleman set SSC records in two areas during the 1983 season and was looked at early as breaking all SSC records during the 1984 season. However, Coleman must now sit out this year, rehabilitate and apply for hardship to return in 1985.

The position is now in the hands of either **Chris Esposito** (Arundel, Arundel, MD) or **Darren O'Brien** (Towson, Towson, MD), both freshmen. Esposito played well enough to earn All-County and Army Soccer MVP honors at Arundel and will be given the first chance to take over for Coleman. O'Brien played equally outstanding at Towson, a state semifinalist last year.

To round out the squad and bring in some new talent, DiBartolo recruited heavily, concentrating on the talent-laden Baltimore area. This year's crop of freshmen and transfers may be the best in the school's history: FWD-Tony D'Antonio (Northeast, Severna Park, MD) - All-County, outstanding senior; MID-Tom Jones (Hammond, Columbia, MD); MID-John Murphy (Mt. St. Joseph, Baltimore, MD); MID-Robert Novak (Frederick Douglass, Upper Marlboro, MD) - H.M. All-Metro; MID-Mike Orlowski (Annandale, Annandale, VA); MID-George Oursler (Catonsville CC, Reisterstown, MD) - All-JUCO in 1983; FWD-Tom Randall (Anne Arundel CC, Severna Park, MD); MID-Jes Smith (Linganore, Frederick, MD).

"We had good results last year," says DiBartolo. "The kids worked hard and we got good results. With experience working for us this year and some help from our recruits, we could have a real good year in 1984."

DiBartolo and assistant coaches Paul Zimmerman and Rick DiCarlo face a tough schedule to coach under, with only five of the 17 regular season games scheduled at home.

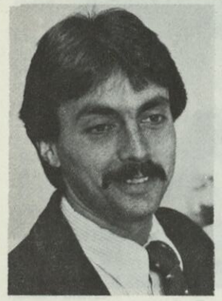
COACHES



Gerry DiBartolo
Head Coach
3rd Year (12-19-3)

Gerry DiBartolo (Frostburg State '76) has been the Sea Gulls' head coach for three years now, following three years as the soccer team's technical director. Taking the reins in 1982, DiBartolo began heavy recruiting in the talent-laden Baltimore/Washington area. His efforts are evident, with 13 freshmen and sophomores now on the squad from that region.

His many associations and experiences in area soccer have helped the 51-year old SSC soccer program prosper anew, as evidenced by the Gulls' winning the Maryland State College Soccer championship in 1983. For his efforts during the year, DiBartolo was named state Coach of the Year.

At Frostburg State, DiBartolo was a four-year standout at midfield, named team captain for the Bobcats in his senior year. Receiving a degree in Political Science, DiBartolo displayed his excellence on and off the soccer field.

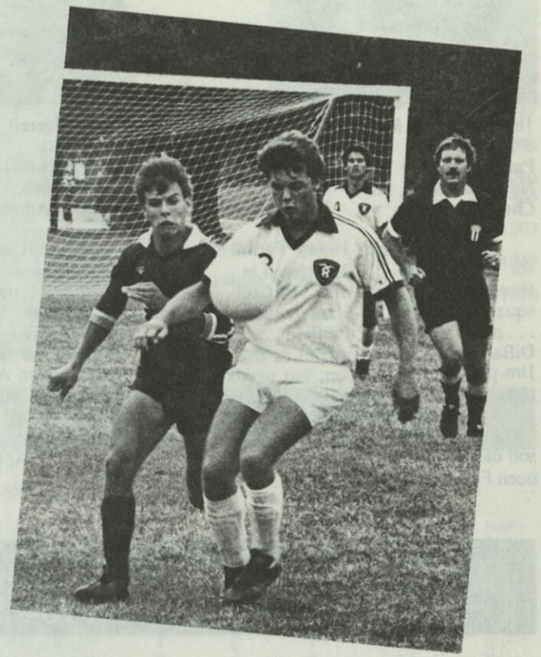
"As a player, I tried to read the game, anticipate four or five moves ahead," recalled DiBartolo of his playing days. "I was oblivious to everything outside the field during the game. Once I got off of the field, that's when the books came into play."

Following his career on the field, DiBartolo stayed with the Bobcats as an assistant coach for two years, helping the recruiting and on-field instruction while directing the FSC indoor soccer program.

In 1978, DiBartolo took the duties as director of the Baltimore Summer Soccer Association, running a 24-team league during the summer, covering all aspects of running a league.

In 1979, he moved to Salisbury as a Business instructor at SSC and became involved as an assistant coach with the soccer team. DiBartolo continued with his Baltimore summer league while starting a summer camp in Salisbury, one of the most outstanding and widely attended camps on the Eastern Shore.

Aside from his coaching duties, DiBartolo is still a Business instructor at SSC and is studying for his doctorate at George Washington University. He was married over the summer to the former Mary Peters. The couple resides in Salisbury.

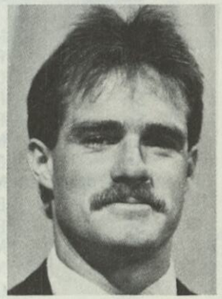


Rick DiCarlo
Assistant
3rd Year

Rick DiCarlo (Campbell '76) enters year number three of his association with the Salisbury State soccer program. A graduate of Campbell College in North Carolina, DiCarlo played soccer for the Camels from 1972-76. He led the squad in scoring in each of his four years and was named NAIA All-Region in his senior year.

A native of Baltimore, DiCarlo is a 1972 graduate of Overlea High School. He was named to All-Metro and All-Baltimore County teams in his senior year, a year that saw Overlea take the Maryland State title.

He operates his own business in Salisbury. He and his wife Debbie live in Salisbury.



Paul Zimmerman
Assistant
2nd Year

Paul Zimmerman (Salisbury State '81) begins his second year as an assistant for the Sea Gulls and Gerry DiBartolo. A four-year letterman at Salisbury State, Zimmerman was named All-State as goalkeeper in 1979, his sophomore year. A respected member of the squad, he was captain of the Sea Gull soccer team from 1979 to 1981.

His outstanding career at the nets for the Gulls earned him a tryout with the Baltimore Blast of the Major Indoor Soccer League.

Zimmerman played soccer as well as basketball and lacrosse at Anne Arundel County's Northeast High School where he won that school's Ed Heaphy Athletic Award.

From there, Zimmerman attended classes at SSC, majoring in Leisure Studies. Currently a graduate student in the School of Education, Zimmerman is pursuing his M.Ed. degree with a concentration in counseling. He works at Salisbury State as a graduate assistant in the Physical Education Department, teaching the department's general fitness course, PE 106.

A native of Pasadena, MD, he is single and lives in Salisbury. Salisbury.

SALISBURY STATE TODAY

Nestled in one of the nation's most magical and historical areas, the Eastern Shore of Maryland, Salisbury State College effectively combines the relaxed yet personable nature of a small college education with the rigorous academic demands of a major university.

The recreational pursuits of the Eastern Shore are legendary, from the boardwalk of Ocean City to the wilderness of Chincoteague Island to the tranquility of Blackwater Refuge near Cambridge, Md. Only 30 miles to the east is Ocean City's famous white beach and the 30 miles of Assateague Island's National and State Park.

Salisbury, Wicomico's county seat and the Shore's major city today, was laid out by a charter granted in 1732, the year George Washington was born. Progressive growth has been characteristic of Salisbury. It has grown over the years from a little crossroads town with a small lumbermill and a few stores into a flourishing business center and a chief distributing point.

Founded in 1925, Salisbury State College is a four year multi-purpose liberal arts and professional college with

an enrollment of 3,000 full-time undergraduate students representing 17 states and 13 foreign countries. SSC attracts students from throughout Maryland and from all its neighboring states including Delaware, Virginia, Pennsylvania and nearby New Jersey.

The College offers undergraduate programs leading to the Bachelor of Arts and Bachelor of Science degrees, and graduate programs leading to the Master of Arts in English, History and Psychology, the Master of Education, the Master of Science in Nursing and the Master of Business Administration.

Salisbury State's undergraduate program became more defined in 1984 with the alignment of the College's major programs into five distinct schools of learning: the School of Professional Studies; the School of Nursing and Health Sciences; the School of Business; the School of Liberal Arts; and the School of Science.
